## About Torney Legal

Torney Legal is a vibrant firm now operating in the Palmerston area. Torney Legal provides advice to families and individuals.

Torney Legal opened for business on 8 July 2013 and provides services to clients in the Palmerston, Darwin and rural areas.

Our location in the Palmerston central business district makes it easy for clients to visit during normal working hours, or after hours, by appointment.

## Carmel Torney

Carmel is the Legal Practice Director and is an Accredited Family Law Specialist with over 8 years experience in family law.

Carmel graduated in 1999, from what was then Northern Territory University with a Bachelor of Laws and a Bachelor of Economics.

After completing her articulated clerkship at a large Darwin firm, Carmel was admitted in August 2000 and practised in the area of worker's compensation for a few years.

Wanting to broaden her experience, Carmel took a break from law and obtained a management position with a large national firm.

During her break from working as a lawyer, Carmel completed a Master of Laws and commenced her Master of Business Administration, which she completed in mid 2011.

In 2008, Carmel returned to practicing law, this time with a focus on family law.

In 2011, Carmel successfully completed family law specialist examinations and became an accredited family law specialist (WA).
